Manufacturers and Suppliers of quality products to the discerning Funeral Director

## Sani Hands Antibacterial Hand Wipes

Sani Hands Antibacterial Hand Wipes kill 99.99% of bacteria and germs in seconds and keep hands protected for up to 6 hours. Unlike gels and foams, Sani Hands removes dirt, providing the most effective cleansing alternative to soap and water.

### Instructions for Use:

- Peel back label and remove wipe from pack
- Thoroughly wipe hands, fingers and wrists ensuring you use the entire wipe
- Reseal pack to prevent the wipes from drying out
- Dispose of wipes and packaging in household waste
- Do not flush
